

JANGRO GLASS & MIRROR CLEANER (5 Litre)

**USE**

This product is designed to quickly remove atmospheric grime and general soiling from glass, mirror and stainless steel and leave a streak-free finish.

DESCRIPTION

The product is suitable for cleaning various surfaces including chromium, plastic, computer keyboards, glass screens and surrounds.

FEATURES & BENEFITS

- 5L
- Cleans glass, mirrors and stainless steel.
- Quickly removes atmospheric grime and general soiling.
- Leaves a sparkling and streak-free finish.
- Suitable for cleaning windows, mirrors, windscreens, VDU's, ceramic tiles, chrome, porcelain, showcases and exhibition stands.

HOW TO USE

Recommended for professional use only. Use undiluted. Pour into a trigger spray bottle. Spray onto surface sparingly, then wipe off with a clean lint free cloth. VDU cleaning, apply sparingly to cloth and wipe area clean. For heavily soiled surfaces repeat application.
